On 10/27/14 Kent County Sheriff Deputies were requested by Kent County Circuit Court Probation Officers to assist in the apprehension of a probation violator that had fled from them in the area of Cascade Road and Orlando Ave SE in Grand Rapids Township. The 19 year old male subject fled his residence and entered a neighboring residence, shed some clothing and then again fled that residence.

Numerous deputies set a perimeter in the area of the residence and a K-9 was requested to the scene. A search by the K-9 was unsuccessful and eventually deputies cleared the area.

Deputies followed up on several investigative leads and at approximately 10:45pm the subject was found hiding at a residence in the city of Kentwood and was arrested. The subject was arrested on felony probation violation warrants and also lodged on additional charges.
